

## PROFESSIONAL PROFILE

---

Paul has been working in the Insurance industry since 1988 and has specialised in the handling and investigation of liability claims since he commenced employment with Hibernian Insurance Company in 1990. Paul transferred to the loss adjusting sector in 1998 when he joined McLarens Liability Division, handling both local authority and corporate liability claims. He later joined a national firm of Solicitors where he continued to investigate and handle liability claims before joining the company in 2005. Paul has expertise in dealing with care home fatalities, stress claims, industrial risks, liability risks in the leisure sector and personal liability claims such as incidents involving dogs under pet liability policies.
